

Dear

To help provide and our clients with the most current professional knowledge and skills in I would like to attend the American Speech-Language-Hearing Association's 2019 Convention from November 21-23 in Orlando, FL.

The Convention program offers more than 2,500 educational sessions that are eligible for ASHA Continuing Education Credit. It is the largest professional development and networking opportunity of the year for speech-language pathologists, audiologists, and speech, language and hearing scientists. The Exhibit Hall features over 300 companies offering products and services focused on the professions.

Attending the 2019 ASHA Convention will give me the opportunity to learn about new research, ideas and approaches to enhance my professional knowledge and skills and enable me to provide better care for my clients. The session handouts and presentation slides can be shared after the event with my colleagues who did not attend the convention. In the Exhibit Hall, I'll be able to learn more about and recommend new tools to enhance our practice.

The following are some of the sessions that would be of particular relevance to my professional development:

.
. .
. .
. .
. .

ASHA is offering a reduced Early Bird registration fee for members, which will help save on expenses. I estimate the total cost of attendance to include

Thank for your consideration of this request.

Sincerely,
